The spacious living room features a cozy gas fireplace and a large front window that floods the space with natural light. The adjacent kitchen has been tastefully upgraded with granite countertops (2019), gold hardware on the cabinets, and stainless steel appliances, including a brand new stove (2025) and updated microwave, fridge, and dishwasher (2021). A mounted TV in the dining area is also included in the sale. Completing the main level is a convenient two-piece bathroom and stacked laundry tucked neatly away. Upstairs, you'll find three spacious bedrooms including a primary suite that comfortably fits a king-sized bed, with a walk-in closet and private four-piece ensuite. Downstairs, a fourth bedroom is located in the fully developed lower level, which offers a separate side entrance, ideal for long-term guests or added flexibility. A wet bar added in 2020 makes this space perfect for entertaining, and the in-floor heat ensures it stays warm and cozy year-round. Additional upgrades include central A/C and a new hot water tank (2021).
