Built in 2008 and offering 1,693 sq/ft of living space, this home stands out with its spacious 24x20 attached garage with in-floor heat—ideal for a workshop, man cave, recreational space, or protected parking year-round. The massive driveway provides ample room for multiple vehicles, your ATV or even a camper, perfectly complementing the outdoor lifestyle this home supports. Step inside through the addition, where a large, welcoming entry offers plenty of space to drop your bags and settle in. This versatile space also includes a fourth bedroom—ideal as a home office or guest room—a family room with access to the back deck, and even a loft space accessed by a charming spiral staircase, perfect for storage or a kids’ play area. The main living space is bright and open with an abundance of natural light, thanks to large windows, a skylight and a soft, airy colour palette. The kitchen is well-appointed with light cabinetry, upgraded extended pantry storage, and ample counter space for everyday cooking and entertaining. The adjacent living room features a natural gas fireplace, creating a cozy and functional layout that flows beautifully while luxury vinyl plank flooring runs throughout the entire open living space. At the rear of the home, the spacious primary suite is a peaceful retreat, featuring an ensuite bathroom with built-in shelving and surrounding windows that create a light-filled, serene place to start your day. A linen closet provides added storage. Two additional bedrooms and a full four-piece bathroom are located at the opposite end of the home, creating a

comfortable layout for families or guests. Additional upgrades include kitchen appliances and the two hot water tanks in the garage replaced in 2015, new heat trace (2022), a new washing machine (2024), and central A/C. The home is built on steel piles for added peace of mind. Outside, enjoy a fully fenced yard with mature trees, a garden shed, a portable fire pit, and no rear neighbours—offering both privacy and tranquillity with no condo fees. With multiple bus stops nearby and a hill in the back for kids to toboggan on, plus a gate included that can be added back to enclose the yard.
