The main floor features a bright living and dining room combination that flows into a spacious kitchen with plenty of cabinets, generous counter space, and an L-shaped island that adds even more functionality. Laminate flooring runs throughout the main level, which has been freshly painted. The four-piece bathroom has seen some updates, and the original three-bedroom layout has been converted to two bedrooms, creating a large master bedroom with space for a sitting area. Solid pine doors add a warm touch to the upper level. The lower level is partially developed with an additional bedroom and a recreation room. An energy-efficient furnace, and the shingles were replaced within the last five years. A separate back entrance offers the potential for a future illegal suite. The backyard is fully landscaped and fenced, with space for RV parking and a covered outdoor kitchen, perfect for entertaining. A single detached garage with an electric garage door opener. Don't miss this great investment opportunity.
