4 bed 2 bath in Creekside on owned lot! Located right across from the playground making this a great family location. Kitchen features newer stainless appliances and epoxy countertops. Separate dining area with additional cabinetry. 3 good sized bedrooms with 4 piece bathroom at one end of the home. Primary bedroom is on the opposite end and features 4 piece ensuite and walk in closet. Fenced back yard with storage shed. Entire home is drywalled. Pilings were levelled in 2019, shingles were done in 2019, and GAS water heater installed in 2020. New vinyl flooring in most of the house, and recent paint as well.
