Welcome to this beautifully crafted, move-in ready 2025-built home by Broadview Homes, offering 1,677 sq ft of thoughtfully designed living space. Situated on an east-facing lot with a sunny west-facing backyard and convenient rear lane access with a gravel parking pad, this home combines style, comfort, and functionality. The main level features an open-concept floor plan with high ceilings, an elegant electric fireplace, granite countertops throughout, full-height cabinets, and a modern kitchen complete with a stainless steel gas range, hood fan, and built-in microwave. Upstairs offers 3 spacious bedrooms, 2.5 bathrooms, and a convenient upper-floor laundry room. Enjoy additional upgrades including a 200 AMP electrical panel, precast front verandah, and 9' basement ceilings. The basement is legal suite-ready, with a separate side entrance, second furnace and HRV system, kitchen rough-in, and laundry rough-in – all subject to City of Calgary approval. This is a fantastic opportunity to own a brand-new, luxury home with incredible future income potential in a growing community.
